

NRDA and PIE Data Centre sign agreement for Data Centre

● To be established on 10 acre in Naya Raipur

Raipur, Sep 19:

An agreement was signed in the presence of Chief Minister Dr Raman Singh, between Naya Raipur Development Authority (NRDA) and PIE Data Centre Private Limited for establishing a Data Centre in Naya Raipur. This Data Centre will be developed on 10 acre land at the cost of Rs 200 crore in sector-22 of Naya Raipur. Through this data centre, 310

persons will get job directly and indirectly. CEO NRDA Mukesh Bansal and PIE Data Centre Director Kalyan Muppaneni signed on the agreement. This Data Centre will be ready in 18 months. Chief Minister Dr Raman Singh hailing the works been carried out in the field of Information and Technology in Chhattisgarh said that in Naya Raipur all the amenities like electricity, internet connectivity, water and others have been provided underground. Dr Singh said that the state government is committed in order to pro-

vide uninterrupted services to all the Companies related to Information Technology (IT). Principal Secretary Electronics and IT department Aman Kumar Singh said that selection of Naya Raipur by famous Company like PIE Data Centre for its international business is indeed appreciable. On this occasion Chief Secretary Vivek Dhand, Principal Secretary (Finance) Amitabh Jain, Secretary Mineral Resources Subodh Kumar Singh, Secretary Housing and Environment Sanjay Shukla were especially present. Director PIE Data Centre and CEO Kalyan Muppaneni said that for providing uninterrupted power supply and for not coming under seismic zone, Naya Raipur is an ideal place for establishing Data Centre. He expressed gratitude towards subsidy to be given as per state's IT policy. CEO said that it was due to support from CHIPS and

NRDA that the project could be finalised in such a short time. CEO said that with opening of Data Centre in Mumbai, Delhi, Kocchi, Pune, Bengaluru and Amravati, by opening another Data Centre in Naya Raipur will provide additional capacity to the Company. It is notable that PIE Data Centre is the first institution in India, which provides complete tailor made solution to industry specific along with automated Cloud-based services. CEO CHIPS Alex Paul Menon welcomed PIE Data Centre and said that apart from Data Centre, other international companies too are showing interest in opening business in Naya Raipur. CEO NRDA Mukesh Bansal citing about importance of Naya Raipur informed that it is the first Green Field Smart City' which has all the resources to establish Data Centre.

WARM WELCOME

Chief Minister Dr. Raman Singh today accorded warm welcome to Lok Sabha Speaker Sumitra Mahajan at his official residence. State Assemle Speaker Gaurishankar Agrawal, former Assembly Speaker Dharamlal Kaushik and MP Abhishek Singh were also present.

नवभारत नया रायपुर में बनेगा डाटा सेंटर

समझौता

- सीएम की मौजूदगी में एनआरडीए व पाई डाटा सेंटर के बीच करार
- डाटा सेंटर में 310 लोगों को मिलेगा रोजगार
- नवभारत ब्यूरो | रायपुर.

नया रायपुर में दस एकड़ क्षेत्रफल में दो सौ करोड़ रुपए की लागत से डाटा सेंटर की स्थापना की जाएगी. इस डाटा सेंटर में 310 लोगों को प्रत्यक्ष व अप्रत्यक्ष रूप से रोजगार मिलेगा. यह डाटा सेंटर डेढ़ साल बनकर तैयार होगा. मुख्यमंत्री डॉ. रमन सिंह के समक्ष मंगलवार को मुख्यमंत्री निवास में नया रायपुर विकास प्राधिकरण और

पाई डाटा सेंटर प्राइवेट लिमिटेड के बीच समझौते (एग्रीमेंट) पर हस्ताक्षर किए गए. एग्रीमेंट पर एनआरडीए के सीईओ मुकेश बंसल और पाई डाटा सेंटर के निदेशक कल्याण मुप्पानेनी ने हस्ताक्षर किए. इस मौके पर मुख्यमंत्री ने कहा कि नया रायपुर में बिजली, इंटरनेट कनेक्टिविटी, पानी आदि सुविधाएं अंडरग्राउंड उपलब्ध कराई गई है. सूचना प्रौद्योगिकी व समर्थित सेवाओं से संबंधित सभी कंपनियों को सुविधाएं प्रदान करने के लिए राज्य सरकार कटिबद्ध है.

प्रमुख सचिव अमन कुमार सिंह ने कहा कि पाई डेटासेंटर जैसी प्रसिद्ध संस्था द्वारा नया रायपुर क्षेत्र का चयन करना राज्य के लिए प्रसन्नता का विषय है. पाई डाटासेंटर के निदेशक कल्याण मुप्पानेनी ने ■ शेष पेज 5 पर
