RAIPUR, Sept 23

NAYA Raipur Development Authority (NRDA) was honoured with National Awards for Excellence in Smart Cities by World Federation of CSR Professionals in National CSR Leadership Congress held in Bangalore recently.

In Smart Urban Development Initiative category, the NRDA was feted with this award. NRDA Superintending Engineer Shivendra Nath received the award in the programme. Over 200 delegations from different institutions participated in the programme. Earlier, the NRDA had also received Asia Smart Cities Award, Indian Building Congress and other awards.
